The Earth We Live On

From under your feet to the air we breathe, exploring the Earth is science at work! Discover how landforms, rocks, and technology impact our everyday lives! Fossils and soil are also examined in this informative program. *(Juniors complete partial requirements for Rocks Rock, Science Discovery, and Science in Everyday Life badges.)*

Explore Earth

Girls love to explore the outdoors and this workshop will give them ample opportunity to do just that! Everything from birds to rocks to soil and a personal terrarium world will capture their imaginations and invigorate the scientist inside.

(Brownies complete partial requirements for the Earth is our Home, Eco-Explorer and Earth & Sky badges.)

To schedule a workshop:

Girl Scout Badge Workshops!!

Space and Sky Workshop

This exploration and discovery program will have your Scouts mapping the skies! Using our StarLab Planetarium, Scouts learn about constellations and stories from different cultures such as Greek, American Indian, and more! Scouts will also experience the nine planets of our solar system, the phases of the moon, and stellar navigation using the North Star. In addition, girls will learn about how telescopes work and how to use one! *(Juniors earn Sky Search badge and Brownies earn Space Explorer.)*

Oil Up!

This slick workshop will have your Scout learning all about oil and why it's so important for our world. Girls will discover the origins of oil and design a map showing all the current major deposits around the world. Also, Scouts learn about the many different types of petroleum-based products, from plastic toys to computer CDs! Lastly, they will find out how oil spills affect our beaches. *(Juniors earn complete Oil Up! Badge.)*

All About Animals

This program focuses on our favorite furry companions. Scouts will gain valuable pet information and knowledge, such as what animals make good pets and what their daily needs are. Scouts will explore the costs of caring for a pet, including equipment, food, sanitation, medical needs, and local community rules. Learn how to communicate to your pet and how your pet communicates with you! *(Brownies earn Animals badge, Juniors complete partial requirements for Pet Care, Plants and Animals, and Wildlife badges.)*

Folk Arts in our World

Folk arts are a fun way to visit the past as well as create something that will be treasured by someone in the future. All modern and historical cultures have a variety of folk arts. Collecting, making, and sharing folk art pieces are excellent ways to build connections with people close to home and all around the world. In this workshop, your Scouts will create a new folk art project, learn a folk dance and more! *(Juniors earn complete Folk Arts badge.)*
